## THE CLUB MARCHES ON

Winter is the dormant season, but the 14 West Hamilton Street Club has not been slumbering. Even though stringent state and local social distancing regulations limited on-site events, your Club has offered a variety of exciting programs for members. If you have yet to participate in one of the hosted Noon Zoom lunches, you have been missing an hour of good discussion. If you want to learn more about a fellow member, attend one of the Meet a Member lunches. The Club also continues to offer speaker events and lunches with Special Guests. The Club now has monthly book and short story discussion as well as one on current events. Beginning in April, there will be a monthly Human Predicaments Discussion at Noon Zoom. A speaker event featuring Dr. Safe Mote on March 24 inspired this new series. Look for this new discussion event in future club emails. If you have any questions or suggested speakers, call Sam Hopkins at 410 935 8540. If you are looking for conversation, the Club has you covered.

## TELL US ABOUT YOURSELVES

If you meet a fellow 14 West Hamilton Street Club member whom you don't know but want to learn more about, you can always turn to Google and see what the internet offers. However, as we know, information obtained through the internet is often not reliable and may give a distorted picture of a person's past. In the interest of providing members with solid, fact-based information about the club's members, the board has started a new project. Each board member and several members have posted their pictures and background information on the Club's website. You can access them from the [home page](#) by clicking on the members tab and then signing in using the password mintjulep. Then click on the Biography tab. Thirty-one members have posted their pictures, and many have also posted background information. We would like to expand this page to include information about every member. Please submit your picture and information to [14hamilton@gmail.com](mailto:14hamilton@gmail.com) and ensure that what your fellow members know about you is from the horse's

mouth and not some dark web site.

## DECK OPEN

With the warming weather, the Club's second floor outside deck is again open for business on Wednesday, Thursday, and Friday. The dining room is also available. Each day, depending on the conditions, we'll decide which location is the most pleasant. On-site dining is limited to six people per day. Please make reservations by end of the day on Monday to reserve yourself a seat on the deck or in the dining room for one of the three days that week.
