# JUNE 2021 NEWSLETTER

## THE LIGHT AT THE END OF TUNNEL

With 57% of Marylanders receiving at least one dose of the COVID-19 vaccine as of June 1, the state is closer to returning to its pre-pandemic state, which means the 14 West Hamilton Street Club is that much closer to returning to normal operations. We are not there yet, but we are gradually moving in that direction. More of us are venturing to the club. Regular lunches—limited to eight persons primarily because of staffing—have returned. Since the beginning of year, we have hosted several new members. The club booked its first private party in more than a year. As Chef and Acting General Manager Charlotte said, “This is absolutely wonderful.”

## A MESSAGE FROM OUR PRESIDENT BRUCE BARNETT

Dear members, I’d like to update you on our HSC activities during this COVID period. Last spring it was “easy” to close the Club, but it has been much more difficult to fully reopen. We initially made the decision to follow all the federal, state, and city governments’ rules and regulations. Our wonderful Chef Charlotte quickly established a system for supplying carryout meals that members could enjoy at home. Her program, which continues, has been a great success and kept us financially viable for the past year. Later in the summer, we were able to open for outdoor deck lunches for members with masks and “spacing.” When indoor dining was again permitted, we opened with four, six, and now eight, or even nine, diners. We now are serving noon indoor meals three days per week--Wednesday, Thursday, and Friday. We are eager to open on Tuesdays, and especially for Wednesday evening dinners once member demand increases. I appeal to you to come and enjoy the HSC facilities. You can make reservations on-line and can see who else is scheduled to come for any specific meal by looking at the member and calendar section of the HSC website. Select a date, invite a friend or friends to join you. Enjoy the HSC community.

Members have expressed interest in paying the remaining balance of the assessment upfront rather than continuing to pay a monthly fee. The club is more than happy to accommodate those that want to pay a lump sum. If you are current on your dues and assessment payments, the lump-sum payment in June would be \$350. That will cover the remaining assessments for the year. If members pay off their assessments early, that means the Club will be in a better position to pay off the loans that were made to pay for the Club's improvements.

#### **SPEAKING OF IMPROVEMENTS**

Talk about bad timing. Prior to the pandemic lockdown, the Club completed its kitchen and third-floor bathroom renovations. For nearly a year, Chef Charlotte has been producing delicious creations in the upgraded kitchen, and a few members who have ventured to the Club have used the new bathroom. When you return to the Club, poke your head in the kitchen to see the improvements, and remember you don't have to go downstairs to use the bathroom.

#### **BIOGRAPHIES**

Thirty-four Club members have submitted their biographies, which is just a fraction of the Club's membership. If we are to really know each other, we need more online biographies. You don't have to spend a lot of time composing it. Send in your current resume with a picture. Or, if you are more ambitious, write a paragraph or two about yourself that would be used as an introduction for a speech. Send your biography and photo to [14hamilton@gmail.com](mailto:14hamilton@gmail.com).

#### **A MESSAGE FROM CHEF CHARLOTTE**

In the past few weeks, the feel at the Club has changed. More of you are venturing back into the club. If you haven't visited the club in the past year, please consider joining us for lunch. Maybe you wonder who else is dining in? For your information, the website hosts the club calendar, where the reservations list is kept for your convenience. Yes, you can see who your dining companions could be a particular day:

[www.14WHSC.com/Members/mintjulep/Calendar](http://www.14WHSC.com/Members/mintjulep/Calendar)

Regarding Covid19 restrictions, we are still monitoring and following government recommendations. For vaccinated people, things have really opened up. Until further notice, we are

limited to eight at lunch, but this is largely due to staffing limitations and demand consistency. We're working on opening up more and more as member demand increases.
